Welcome to Summer services at Loppi!

God's kingdom belongs to the childlike. (Mark 10:14)

Jesus advised to receive the kingdom of God by believing in God like a child. He also emphasized the importance and value of children as he took them in his arms and blessed them. The motto of the summer services encourages to believe in God like a child. Childlikeness crystalizes the simplicity of faith, God's care, and permission to turn to Him. We can trust that the kingdom of God is still among us. We pray that the people gathering at the summer services – both at the services and via the media around the world – would be able to experience this to be true.

The Summer services of the SRK will be held at the Räyskälä airport in Loppi from the 1st to the 4th of July 2022. The service grounds are the airport and its surrounding forest areas, which are familiar from the 2012 Summer services. The service area is 185 hectares. Good co-operation with landowners, the municipality of Loppi, the authorities and other partners makes it possible to organize summer services.

The summer
service invitation
is open to
everyone – you
are warmly
welcome!

Despite these exceptional times, we have been able to enjoyably organize the summer services with trust in God's blessing. Faith is a matter of joy. At the center of the service badge are happy guests who have arrived at the summer services.

We get to gather at the summer services to rejoice in faith. At the heart of the gospel of the kingdom of God is the message of salvation and forgiveness of sins. This is also the main message of the summer services. The gospel still encourages us to believe. It invites everyone to partake of faith and trust in God's care like a child turns to his or her caregiver.

Summer Services

Suviseurat is an annual summer service arranged in co-operation with the Evangelical Lutheran Church of Finland. It is the largest spiritual event in all the Nordic countries, with about 75 000 participants. Service guests arrive each year from over 30 different countries. Suviseurat, summer services have been arranged since 1906.

The service program primarily consists of sermons, hymns and Songs of Zion. Meeting friends and acquaintances is of great significance too. The sermons are Biblical speeches about God's love and mercy toward a sin-fallen person. The sermons teach that when a person believes their sins forgiven,

they attain peace into their heart and a sure and everlasting foundation for their life based on the merits of the redemptive work of the Lord Jesus. In the middle of the summer service site is a central opening and the service tent, in which the sermons are preached and liturgy officiated. The tent seats 4000 listeners.

A Sunday morning worship service is held in many of the area churches. Holy Communion is served in the service tent with about 70 clergymen officiating. Sermons and singing is broadcast through loudspeakers scattered over the entire service site, on which the greater portion of service guests are lodged in travel trailers, motorhomes, and tents.

Sermons are interpreted into nine different languages. The row of flags on the summer site represent the 19 different countries the SRK central organization sends mission speakers. The whole summer service site is like a self-sustaining medium-size city with all needed conveniences, goods and services.

All of this is provided by volunteer labor. Suomen Rauhanyhdistysten Keskusyhdistys (SRK), Finland's Central Organization of Associations of Peace serves as the umbrella organization for 178 registered organizations. The SRK serves and supports the activities of its member organizations. Additional information about the SRK, sister organizations and activities of the local congregations can be found on the following website: www.rauhanyhdistys.fi.

The work of Christ continues in this world through the Holy Spirit within His congregation.

How We Believe

The teachings of the Conservative Laestadians are founded upon the Holy Bible and the Lutheran Confession. The centermost being the sermon of Jesus' suffering, death, and resurrection. The work of Christ continues in this world through the Holy Spirit within His congregation. We teach that God sanctifies a person through the Holy Spirit in His congregation. To every child of God, Jesus has given the office of reconciliation, which is the duty of the Holy Spirit. They use this authority when proclaiming the gospel according to the mission command of Christ, preaching it to everyone that God has created.

The core of the gospel is the forgiveness of sins, which is proclaimed in Jesus' name and blood. One who believes this, by the grace of God, is forgiven all their sins. Faith simply comes by hearing, and listening through the Word of God. According to the principles of reformation, the Holy Bible is the highest authority in matters pertaining to faith and life. A person is justified by grace alone, through faith alone, in Christ's righteousness alone, and for His sake.
